

FIT ON THE GO LENS SYSTEM

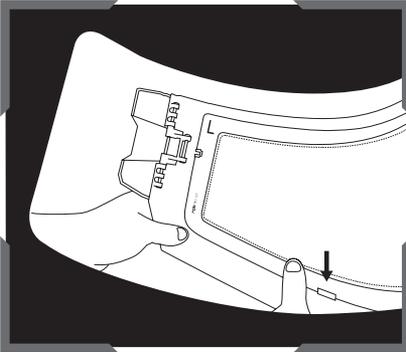

Lens replacement instructions for (NV3-724, NV3-725) while wearing the Nova 3[®] helmet.

1.

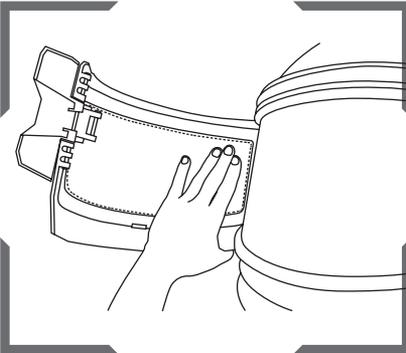

Start with 3 tear-off lenses (NV3-725). Slide the side marked "L" under the clip. Ensure that the tear-off tabs are folded towards the outside.

2.

Slide the center of the lens up at the bottom until it fits into the center clip.

3.

Press the right hand side of the lens until it fits under the clip.

Repeat process to fit a single outer lens (NV3-724) into the place.
